## HOW THESE RANKINGS WERE GENERATED

This ranking was determined using a number of factors including industry standing, public opinion of software, social media presence, and available software features relevant to the needs of a small business. This ranking should serve as a rough estimate of software suitability, and more in-depth analysis can be taken below or by using our EHR software comparison.

The image shows a laptop screen displaying the EHR in Practice website. The website has a blue header with the logo 'EHR IN PRACTICE' and a navigation menu with links like 'IMPLEMENTATION', 'SELECTION', 'STRATEGY', 'NEWS', 'SPECIALTY', 'TOOLS', 'WHITE PAPERS', and 'FIND EHRS'. Below the header, a banner says 'Find & Compare EHR Software' and '1 EHR software products selected'. It shows a comparison between 'CareCloud Charts' and 'AdvancedEHR'. The 'CareCloud Charts' section includes a logo, a 'SELECTED' button with a checkmark, and a 'COMPARE NOW' button. The 'AdvancedEHR' section includes a logo, a 'COMPARE' button with a plus sign, and a 'VIEW PROFILE' link. To the right, there is a 'FILTER BY...' sidebar with dropdown menus for 'Search...', 'SORT BY', 'Software Features', 'Practice Size', 'Specialty', and 'Delivery Platform'. A hand is visible on the right side of the laptop, interacting with it.
