HOW THESE RANKINGS WERE GENERATED

This ranking was determined using a number of factors including industry standing, public opinion of software, social media presence, and available software features relevant to general surgery. This ranking should serve as a rough estimate of software suitability, and more in-depth analysis can be taken below or by using our EHR software comparison.

SHORTLISTING EHR VENDORS CHECKLIST

<p>1 <input type="radio"/> Research EHR employed by similar sized practices in the same specialty</p> <p>2 <input type="radio"/> Identify market leading solutions which offer some support in your specialty</p> <p>3 <input type="radio"/> Leverage professional network for recommendations based on their experience</p> <p>4 <input type="radio"/> Identify any specialty-specific EHRs</p> <p>5 <input type="radio"/> Compile initial shortlist of vendors</p>	<p>6 <input type="radio"/> Produce an RFI document and send to vendor shortlist</p> <p>7 <input type="radio"/> Narrow shortlist based on RFI responses</p> <p>8 <input type="radio"/> Compile requirements and business processes in an RFP document</p> <p>9 <input type="radio"/> Narrow shortlist based on RFP responses to produce final shortlist</p>
--	--

SENDING EHR RFP CHECKLIST

Provide practice background

Provide project background - why are you selecting a new EHR?

Provide in-depth, end-to-end timeline for EHR selection and implementation

Outline all EHR requirements and their priority

Request at least three references from practices similar to your own

Request information on vendor implementation team personnel and their experience

Provide a deadline for RFP responses and information on when you'll be in contact

Send out RFP to EHR vendor shortlist

WHY NOT CREATE YOUR OWN COMPARISON?

With our free comparison engine you can build your own side-by-side comparison of leading EHR solutions. Narrow down your shortlist using filters including:

- Software Features
- Delivery Platform
- Practice Size
